

Fifteenth Masonic Districts  
of  
The Grand Lodge of  
Massachusetts

Gift to  
the Residents of

Spring  
Hops  
Concert

2:00 P.M.  
June 14, 2015  
Overlook Performing Arts Center

The Fifteenth Masonic Districts of the Grand Lodge of Massachusetts is comprised of the 15th North and 15th South Districts. The District Deputy Grand Masters are R.W. Richard A. Ellis, north and R.W. Robert Mosher, south. Most of our Lodges were previously in just one district which was deemed to be too large to be covered by just one District Deputy Grand Master.

We continue to enjoy the advantages of considering ourselves one large district with the support of two district deputies with many of our district functions combined. The District Activities Committee coordinates a district table lodge, Chuckles-For-Charity social nights, and other events. An especially popular event is the end of summer / beginning of the Masonic Year family picnic which highlights a rather competitive tug-of-war between the “North” and the “South” and custody of a trophy and bragging rights until next year.

The District Activities Committee received donations from district lodges to facilitate our district gift to you this afternoon. We are pleased to be able to share the pleasure of live music and and also proud to support the concert band whose home is in our District.

We also extend a warm thank you to Caytlin Buckel for the logistics coordination and setup for this concert.

Thank you for coming.
